## School Overview

Beenleigh State School was established on January 1, 1871. Present enrolment is 450 children from Prep to Year 7. The school motto is 'Nothing But The Best'. Teachers are committed to providing Essential Learnings for students so that every child is tracked and linked to expected areas of academic growth. The school has designated Literacy and Numeracy group times which focus on improving these priorities. The Special Education Programme of the school operates on an inclusive model, with specialist teachers working in conjunction with classroom teachers to assist in the quality delivery of programmes. Gifted & Talented students are also catered for through the CalEn and Sparks Projects and the Writers Guild. In conjunction with academic programmes, the school also offers social and emotional support, and many sporting and cultural events. The school explicitly teaches the Virtues, which encourage positive character development. The school also has the services of a Chaplain. The school has a number of representative Skipping Display teams, Rugby League and Australian Rules teams. Culturally, the school has Vocal and Instrumental Music Programmes, including an all boys choir. Staff work closely with the Parents and Citizens and the wider community.

## Principal's Foreword

### Introduction

#### School Progress towards its goals in 2017

Our focus is strongly centred on providing the best educational outcomes through a rich, diverse, engaging curriculum in a happy, safe and healthy environment.

We value:

- A holistic approach to childhood development - emotionally, intellectually, physically & socially
- A focus on children reaching their full academic potential.
- A balanced curriculum focusing on Clever, Skilled, Creative
- A strong sense of community
- Supporting quality professional staff

Core Priority: The Teaching of Reading (comprehension & fluency)

- Administration conducted term classroom observations and provided feedback to teachers on their data driven planning, pedagogical practice and classroom environment.
- A refocussing on Complex Texts as a strategy for developing reading comprehension occurred across the whole school.

Core Priority: Continuous Monitoring of Student Achievement

- Teachers were provided time to meet as a year level team to examine the data and identify

“where next” in the learning journey

- Data stored centrally (OneSchool) as per our Whole School Assessment Schedule.
- The school continued to offer a range of support options to support all learners.
- The current support options were aligned with the additional funding from the Great Results funding to maximise the potential of all programs

Core Priority: Quality School Curriculum Reflective of ACARA and the Beenleigh School Community

- C2C units were adjusted or “personalised” to meet the needs of our learners, current curriculum offerings and feedback from our teachers. This occurred at the end of each unit and during the curriculum planning phase.
- All teachers worked in their Year Level Planning teams to ensure consistency of learning experiences.
- Teachers were provided with a half planning day. Teachers planned in year level teams with our Curriculum Co-Ordinator
